"Silence is golden. Strength lies in simplicity."

The course and the Planner are in German. This English version is for your orientation.

As of 12 November 2026

Your week at a glance

Seven days without phone or computer. Every day brings three HMF sessions of about 30 minutes, each with an explanation, an example and a task in the Planner. In between you walk, write and rest. Participants do not speak to each other.

DAY	DATE	THEME	MASSAGE
1	Mon 10 Jan	**Arrive and switch off**	✓
2	Tue 11 Jan	**Take an honest inventory**	✓
3	Wed 12 Jan	H **Give your body a rhythm**	✓
4	Thu 13 Jan	M **From reason to action**	✓
5	Fri 14 Jan	F **Set a direction**	✓
6	Sat 15 Jan	**Build the plan for everyday life**	✓
7	Sun 16 Jan	**Leave with your first step**	–

At the end your plan is on paper: one focus for 90 days, one habit you have practised and your first week back home. Putting it into practice is up to you.

The rhythm of a course day

Days 2 to 6 follow the same pattern. The three sessions at 09:00, 14:30 and 17:30 are fixed.

07:00	Wake up
07:30	Movement and meditation
08:00	Breakfast
09:00	**HMF session 1**
10:30	Walk, massage
12:30	Lunch
14:30	**HMF session 2**
15:00	Wellness, massage
16:45	Walking meditation
17:30	**HMF session 3**
19:00	Dinner
20:00	Score in the Planner
21:30	Lights out

The HMF method

You are player and referee at once: you set the rules, you play and you keep an honest score. In German the method is called GMF. Every session has the same shape: explanation, example, task in the Planner.

H

Health

Movement, sleep, breaks, food and attention, turned into one concrete task in the Planner.

M

Motivation

Your reason to act. You break a task down until the first step is small enough.

F

Foundation

Money, relationships and values. You review your commitments and derive tasks for everyday life.

The rules of the game

1. **Choose a direction.** You pick one focus that fits your stage of life.
2. **Write down your next move.** Five tasks a day, each assigned to one area: H, M or F.
3. **Start small.** The 1 % rule: today = yesterday × 1.01. An image, not a promise.
4. **Keep the score.** You tick off what is done. Whatever stays open goes on the Red Card.
5. **Catch up on review day.** You work through the Red Card and plan the next week.

Pages you fill in the Planner

- one decision on one page
- one focus for the next 90 days
- four rules for your everyday life
- your first week with appointments and a review
- a list of things you drop

The DailyInspire Planner exists in German only. It is yours to keep.

Silence and screens

- Silence begins after dinner on arrival day and ends on departure day at 09:45 after the last session.
- Participants do not speak to each other: at meals, on walks, in the sauna and in free time.
- In HMF sessions and meditations you listen and write. Anything personal stays on your paper.
- Phone, laptop, tablet and smartwatch stay switched off, in your room too. Paper, books and your Planner are welcome.
- If you need anything, speak to Kacper or the team at any time. Help always comes first.

DAY 1

Massages, wellness and cold-water bathing

Massages

Six massages, one a day from arrival day to day 6, given by a professional team. There is no massage on departure day. You receive your times for the whole week on paper at check-in. Massages take place between sessions, never during an HMF session. The team knows how much pressure you like and, with your consent, the notes from your questionnaire. You may speak to the team if anything is uncomfortable.

Sauna and wellness

Looked after by the professional team, during the afternoon wellness slot and in your free time. Optional. Resting, walking and writing are just as valuable.

Banya

Guided by the team in small groups, with time to rest afterwards. Optional.

Cold-water bathing

In the seawater pool, which is open in winter. Optional and at your own risk. Before the first time you sign a declaration on site. You only go in during daylight and never alone. Cold-water bathing is not supervised. Keep your head and neck above water and do not hold your breath. If you are unsure whether cold water suits you, check with your doctor before you travel.

Meditation

Short guided sessions in the morning and while walking. You choose your posture and breaks. No previous experience needed.

Food

Full board

From dinner on arrival day to breakfast on departure day: 6 breakfasts, 5 lunches and 6 dinners. Water, tea and coffee are included. The menu is put together by the kitchen of Hotel Moresco.

Times

Breakfast at 08:00, on departure day at 07:00. Lunch at 12:30. Dinner at 19:00.

In silence

From dinner on arrival day you eat in silence. You take your time and taste what is on your plate.
